There will be a double header at the ball grounds this afternoon. The first game will be called promptly at 2 p. m. and after it is finished the players will be given a ten-minute rest when the second game will be called. According to the management only one price of admission will be charged for both games. Elder Quick is slated to do the twirling for the locals and says he will go both games.

Pitcher Tozer of the Salt Lake club is a most promising youngster and with proper coaching should make a star twirler within a year or so. Take an old hand like Wilmot, for instance, and he could make a wender out of Tozer.

Taylor was back in the game again yesterday for the first time in a week. He was placed at short and did good work. Weed, for the first time since he has afrived in Salt Lake, was playing his regular position in the outfield. This is where he belongs and it is said he is one of the best men in the league. Yesterday he had three chances, two of them very hard ones at that, but he managed to score a putout in each case.

During the third inning yesterday the game had to be called on account of rain. At the time Salt Lake was three runs ahead. As soon as the great drops of rain began to fall a smile was seen to pass over Dugdale's face as if to say, "It is all off with this Mormon bunch; now I have got them sure."

Frank McNichols had his bunglar.

Frank McNichols had his burglar clothes on yesterday and was seen steal-ing bases to the extent of three during the game.

For the past two weeks rumors have been floating around that Salt Lake was going to lose both Wiggs and Donahue. First it was reported that they intended

to jump, and then that they would be sold to Butte. Both these stories are denied by Manager Reynolds, Donahue and Wiggs. The latter say they have no intention of jumping, and Reynolds says he will not sell them to Butte or any other club. The Butte papers are already telling the fans in that town that Donahue and Wiggs are coming, but Manager Reynolds says there is absolutely no truth in the report. Says Reynolds:

"When Wilmot was down here last week he asked me what I would take for Wiggs and Donahue. I told him that he could have the two men in trade for Bandelin, Runkle and Kane and the sum of \$50.0, and thought no more about it, as I considered it a joke. It seems, however, that they thought my offer serious and agreed upon the terms. I am sorry that matter came up this way, but you can say for me that I do not intend to let either man go."

It was without question the best motor race of the year and even if only three of the machines got through these gave an exhibition of speed lively enough to suit almost any one. The single machines owned by Staley and Holway were on their best behavior and put up the gamest kind of a race to the finish. Holway took the lead shortly after the start, passing the other four machines with ease. This Holway held until the third mile, when Staley came up with a burst of speed and gained a half a lap on him. In the last half mile Holway again got under headway and slow ly but surely began to overtake Saley, but the youngster held out until the tape was crossed, winning by about a length. The tandem machine ridden by Staver and Hopper was lapped three times by both Staver and Holway, while Turylle and Samuelson were left hopelessiy out of the race.

Race at Brighton Beach.

New York, Aug. 21.—After a day's delay on account of a heavy track the grand circuit meeting was resumed today at Brighton Beach before 8,000 people.

The big event of the card was the \$20.000 bonner stakes for the 2:12 trotters. The betting was very heavy, Billy Buck selling for \$1,000 to \$700 for the field. The favorite won the first heat by half a length from Jim Forry with Swift a close third, but in the second he was beaten in a close and exciting finish by a rank outsider. Hawthorne, with Tiverton second, in the third heat at the first turn Swift stumbled and swerved into Hawthorne and both went down, the horses being soon caught. In the meantime Kinney Lou had got the lead and won the heat by a narrow margin amidst a volley of cheers for the driver. Budd Doble.

For the fourth heat Kinney Lou led to the top of the home stretch, with Billy Buck and Hawthorne came up with a splendid burst of speed and won easily by a length. The nxet heat was close from start to finish. Hawthorne winning by two lengths, with the other two tired out. He sold for \$150 in a \$2,000 pool.
